FUTURE FORWARDING

Delivering Quality Worldwide

Future Forwarding was formed in 1977 and we are proud to remain a privately owned, totally independent company.

Our independence gives us the flexibility to source the best deals and services available to our customers as we are not affiliated with any particular Shipping Lines or Airlines.

Whether it is by Sea, Air or Road, Export or Import, we have the experienced staff to ensure we get the job done. We can also guide you through the complete export/import process if required.

Worldwide Export & Import Freight Forwarding Services

Including:

- **Seafreight**
Full & Part Load (FCL & LCL)
- **Airfreight**
